

Hi all,

Notes from March:

Budget - moving along as expected with expenses. Aides are being utilized for in class support. Teachers are submitting more stipend requests as in class teaching continues and additional technology is being used to help coordinate remote/in class teaching. The checks from the Amazon Smile program have been larger this year - be sure to register Friends of Sauganash to help contribute with any purchase from Amazon.

Fundraising - thanks to everyone that participated in the Chipotle fundraiser and persevered through the wait. Chipotle apologized for the delays and confusion. They included some additional sales to bring the amount raised to nearly \$500 for the event. Chipotle will also be contributing some gift cards that can be used as prizes or gifts for future events. The next restaurant event will be April 21 at Backyard Grill. Purchases made any time during the day will be available, so hopefully there will not be the same traffic jam.

Annex - the draft of the blueprints will be made available on the website when Mr. Kennedy receives them. Look for a notification in the weekly newsletter.

PTO is looking for volunteers to help with a variety of activities. Some specific roles are to help execute Teacher Appreciation Week (this should be more fun with teachers in the building) and Family Fun Night (administration is still working on what will be specifically permitted to start planning).

The next meeting is going to be April 21 - this will be a busy day with Report Card Pickup and the Backyard Grill event on the same day.

Robert
