BIAGIO EVENTS & CATERING

#### Dear Sauganash School Families,

Over the past couple of years, we have brought our parents and staff together for dinner, drinks, dancing and other fundraising games and raffles at our Spring Benefit. We plan to do the same this year, as well. Please note that we have moved the event to an earlier date and the venue has also changed. Our hope is that the majority of school parents and staff will choose to attend this year's event. It's a fantastic means of getting together, building and maintaining our amazing school community. Please know that we do not assign tables or seating – you do not have to sign up as a group!

Sauganash Elementary needs your help in keeping our school on top. The money we raise at the Spring Benefit builds on this year's fundraising momentum to support our children, boost teacher impact and expand learning. It takes a lot of time, effort and volunteers to plan a successful benefit. Attached, we have indicated ways in which we are looking for support in the next couple of months. There are many components that make our benefit flourish. Please review our list to manage your knowledge and expectations of what this year's benefit entails.

Please reach out if you have any questions or if you would like to get involved. We look forward to celebrating Sauganash Elementary School and community with you at this year's Amazing Travels Spring Benefit on March 2<sup>nd</sup>!

Thank you, in advance, for your support.

Sincerely,
