Zalinski Cafe

10 October 2018

3:15pm

Meeting took place in Room 104.

Tracy Mayer reported that the bookfair was very successful with total sales of \$9000. Thanks to the volunteers.

Marcia updated the group on the Spring Benefit scheduled for March 2, 2019 at Biagio. Laura Honda is the chair and Heather VanZant is the co-chair. The committees have been formed and chairs have been identified. We are looking for volunteers to assist with the Ad Book. Please contact Laura Honda at HondaLaura@yahoo.com to get involved in any events. Ms. Karacic and Mrs. Yadao expressed interest in the Ad Book and Marcia shared that information will be shared with all parents and staff after the donation drive.

Halloween Party is again chaired by the Christina and Patrick Eberlin. They will soon recruit for assistance though the sign up genius. Jenny Tianis suggested we ask 8th graders to help as well.

Annual Donation Drive ends 11/16. We have about \$10,000 so far and our goal is \$55,000. Marcia shared that we have a very fun event planned if we reach our goal and that will be announced November 2, 2018. In the meantime, please remind everyone to donate to keep us able to provide both teachers aides and a new science program for the upper grades (6-8).

Open Forum: Questions were asked about the first Walkathon scheduled June 2019. Marcia explained that Mr Kennedy will coordinate the actual walk and details but that the fundraising and rewards for students have not been worked out. Julie Morley and Jenny Tianis volunteered to co-chair this event and work to find funding for the event.

No further topics were discussed and the meeting was adjourned at 3:40pm.

Next meeting is November 14th at 630.
